

THIRD PARTY NOTIFICATION

We can all use a friendly reminder now and then. Maybe you know someone who is elderly, in poor health, or just a little bit forgetful. Maybe you fit that description. It's easy to overlook a water bill or shut-off notice. Now East Brookwood Estates POA members can name a trusted person to remind them when it's time to pay their East Brookwood Estates POA water bill.

Be sure your water bill is paid on time. Third Party Notification is a free service, and it's voluntary. It gives peace of mind by reminding you when you've forgotten to pay your water bill.

Here's how Third Party Notification works. It's easy, free, and voluntary. You choose a friend, relative, or neighbor—someone you trust. By completing the application, you give East Brookwood Estates POA permission to contact that person if your water bill goes unpaid. The person you name will help you understand your East Brookwood Estates POA account. They'll explain what the problem is and how you can get your account paid. That reduces the chance that your water will be shut off because you accidentally missed paying a water bill. The information you give EBEOA is confidential.

EBEOA will try in good faith to reach the person you name. We incur no liability for failure to do so. Of course, you are still responsible for paying the water bill, not the third party you chose.

Request for *Third-Party Notification Service*

Please complete in full. Requires signature of both Customer and Third Party.

EBEOA can not be held liable for failure to notify Third Party.
